One possible version:

Nowadays traveling plays a very important role in our daily life. I usually travel twice a year because traveling is a good way for me to relax after hard work.

I still remember my parents and I had a vacation on the beach last summer. In the morning, we went to the beach by bus. It was a sunny day, so we enjoyed lying on the beach. How relaxed I felt! After lunch, we played beach volleyball with another family. It made us excited. My parents also took many pictures. What a wonderful day!

In my opinion, traveling is really great for all of us. We can not only enjoy the beautiful scenery and relax ourselves but also learn much from traveling. So if you can, just go out and have fun traveling.
