It was nearly dark, and the sun was dropping down the mountains far away. Little Tom came back home, with tears(眼泪) in his eyes.

"What's the matter, Tom? How's your trip?" his mother asked with a big smile.

"I failed. The mountain was so high and full of big or small stones on the way, but I still went ahead. I was tired and it was so late that I had to come back." Tom cried.

"It doesn't matter, you are only 14 years old after all. You will have another chance." his mother said.

"But, standing at the top of the mountain is my dream!" Tom said.

At that time, his father came over and asked, "Did you see the green trees on your way to the mountain?"

"Sure, and there were a lot of beautiful flowers by the side of the road," Tom replied. "Did you hear the birds singing?" his father asked.

"There were many kinds of birds singing in the trees, and the sound was very sweet," Tom said.

"Did you feel the beauty of nature?" his father asked.

"Yes, the blue sky, the white clouds, the green trees and the colorful flowers make a nice picture," Tom answered.

"That's enough!" his father smiled and said, "Please remember, son. For often, achieving what you expect is not the most important thing. Although you didn't reach the top of the mountain, you got a lot on the way."

It is true that not every goal(目标) will be achieved, not every job will end up with a success, and not every dream will come true. The most beautiful scenery(风景) is on the way.

Where did you go this summer vacation? Maybe you have visited some top universities at home or abroad. If so, you are not alone.

This summer, many people from across the country traveled to famous universities like Tsinghua(清华) University, Peking University and Fudan University. Tsinghua University, for example, received(接收) 6,000 visitors a day. Most of them were students with their parents.

With the rising number of visitors, it took many hours to get into the universities.

"Tsinghua University opens to the public at 8:30am," a guard(保安) said. "However, many people start to line up(排队) at 3 to 4 am because people who

come at 6 o'clock may be too late and can only enter (进入) in the afternoon."

This is not only for China universities. Oxford in Britain and Harvard in the United States are facing the same problem. In summer, bicycle paths (道) of Oxford were full of tour buses. The pavements (人行道) were also full of Chinese tourists (游客).

"University tourism" is popular because of the long histories and cultures of these famous universities. More importantly, many parents hope their children will go into a top university in the future.

"I brought my son here to see what top universities look like," a mother of a 14-year-old boy said.

She hoped her son could learn something from the trip and study harder after that.

31. Where did most parents and kids go this summer vacation?  
A. to Britain                      B. to top universities                      C. to United States
32. How many people does Tsinghua receive a day?  
A. 3000                      B. 6000                      C. 2000
33. Many people start to line up at 3 to 4 am because \_\_\_\_\_.  
A. Tsinghua University opens at 4:30 am.  
B. They hope to enter the university early.  
C. The university is not open to tourists in the afternoon.
34. What same problem does Oxford face as Chinese universities?  
A. Students don't have enough room to study.  
B. People always break traffic rules.  
C. More and more people visit Oxford in summer holiday.
35. Why is "university tourism" so popular among families?  
A. Because top universities are beautiful.  
B. Because parents wish their children to study at top universities.  
C. Because kids like the history and culture of the universities.

- V. 任务型阅读。请阅读下面图文，简要回答所给问题。(本题共 5 小题，每题 2 分，共 10 分。)

As we all know, everyone has some free time. We must make good use of the time instead of losing it. We can spend the free time reading some favorite novels. We can also use the time to chat with our friends to relax ourselves. If you are tired, you can take a nap. In a word, don't let time go by.

Nowadays, people must compete and try their best to make a living in the world. So people's free time is less and less. That means people regard free

time as treasure and they realize that they should make full use of it. Only when people have a good time, do they have passion(热情) or enough passion to face their work.

No matter how people spend their free time, it's absolutely that the aim(目地) is to enjoy their life, to enjoy themselves. Nobody wants to be the slave of life and work. People receive more pressure and they get more income. Why don't they treat themselves more kindly and more nicely?

Last year, some groups of students in their community(社区) made a survey about "How do people spend their free time?" The following charts show some results of it.

Chart 1): Hours of people of different ages who surf the internet in a week.

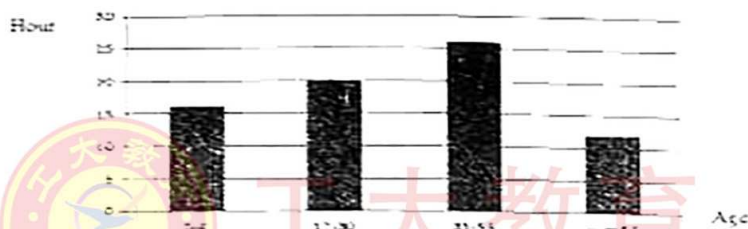

Chart 2): Different programs people like

46. Why do people have less and less time?
47. What's the aim of people spending free time?
48. How many hours do the people aged 17-30 spend surfing the Internet every week?
49. Are the people who read news more than those who chat in their free time?
50. How do you usually spend your free time? Why?
