Friends are very important in our everyday life. Everyone needs friends. We all want to be close to someone. It is nice to have a friend to talk, laugh and do things with. Certainly, sometimes we need to be alone. We don't always want people around. But we would feel lonely if we never had a friend.

No two people are just the same. Friends sometimes don't get on well. That doesn't mean that they no longer like each other. Most of the time they will make it up and become friends again.

Sometimes friends move away. Then we feel very sad. We miss them very much but we can call them or write to them. We can also make new friends. It is encouraging to find out how much we like new people when we get to know them.

There's more good news for people who have friends. They live longer than people who don't. Why? Friends can make us feel happy. Being happy helps you stay well. If someone cares about you, you will take better care of yourself.

- () 56. All people need friends because _____.
 A. we can share many things together B. we want to get good news
 C. we want to live longer
- () 57. What's the Chinese meaning of the underlined word "lonely"?
 A. 害怕的 B. 孤独的 C. 危险的

- () 58. People make new friends when their old friends _____.
A. have new friends B. are angry with them C. move away
- () 59. If we can't see our friends for a long time, _____.
A. our friendship will break off B. we can become ill
C. we can call them or write to them
- () 60. The writer wants to tell us that _____.
A. friends are like books B. friends are necessary in life
C. friends bring out the best in us
