W: Oh, I don't. I love the holiday. I love the shopping, the food, new clothes and all goods.

M: That's just the beginning. My wife always spends too much money during the Spring Festival. The average cost of the Spring Festival for Chinese families is about 5,000 yuan. But somehow we always spend about twice that much.

W: Well, Jack. Think about your children. Did you love the Spring Festival when you were a child?

M: I guess so. I don't remember.

W: I know you did. You were the most excited child in the whole class.

M: Well, children enjoy it because they don't have to go to school and they can play and chat.

W: That's true. But you know that the Spring Festival is more than reunion, eating, playing and talking about life. The Spring Festival brings others good fortune.

M: You're right, Mary.
