The lady went home with her mousetrap, but when she looked for the cheese in the kitchen, she could not find any in it. She did not want to go back to the shop, either, because it was very late. She cut a picture of cheese out of a magazine and put that in the trap.

The lady was very proud the whole night. When the lady came down to the kitchen the next morning, she found a picture of a mouse in the trap just beside her picture of the cheese!
