第二节 书面表达 (满分 15 分)

One Possible Version:

Dear Alex,

I'm glad to know that you're coming to China for a visit. It will be a pity if a place on your visiting list is missing. Beijing, the capital of China, is just the place to be for the following reasons.

First of all, it is heavy with such cultural relics and historical sites as the Great Wall, the Forbidden City and so on, through which you'll know more about Chinese history and culture. Secondly, Beijing's Hutong is a kind of culture you must experience, for it stands for the culture of many northern cities. Thirdly, there are many modern buildings attracting people's eyes. Bird's Nest, for example, is a frequently visited attraction.

Anyway, only when you come to see for yourself can you feel the real charm of Beijing. Have fun in China.

Yours,

Li Hua
