##### 第二节 书面表达 (满分 15 分)

One Possible Version:

Dear Tom,

I'm glad to hear that you are visiting China this weekend. What a tough choice between Chengdu and Shanghai, two of the greatest destinations in China!

First, Chengdu is in the southwest, which means you may spend more time and money flying there. Shanghai, on the other hand, is easily reachable from the U.S, with quite a number of flights heading there each day, but you may have to spend more on hotels and meals.

Second, Chengdu, unlike the busy and crowded city, is better-known for its relaxing and enjoyable lifestyle, while Shanghai is more developed and offers more choices in terms of dining and shopping. Anyway, it's really hard to say which one is better. Choose whatever suits you best, my friend!

Hope you enjoy the weekend!

Yours,

Li Hua
